Capstone Design 1

2018-2

Homework 2

(1) Submit Mockup screenshots (minimum three to maximum five diagrams)

(2) Submit use case diagrams. (minimum three to maximum five diagrams)

(3) For each use case diagrams, submit use case scenario. (minimum half page to maximum one page in size)

(4) Submit all the above in a PPT file for project presentation on Friday 28 September.

Each member makes it clear what he has done in the project.

The presentation order is reverse order of the student list.
